

RELIGION IS TO BE DISCUSSED AT CONFERENCE

All Day Gathering For Ministers, PTA Workers, Club Leaders and Others at W. T.

HELD ON THURSDAY

Prof. S. H. Condon Is Leader For Gathering—Well Known Pastors To Gather Here

Next Thursday, Dec. 12, Canyon and the West Texas State Teachers College will be hosts for a religious conference to which ministers of all denominations, representatives of Parent Teachers Associations, Women's Clubs, county and city superintendents and all others interested are invited.

A strong program has been prepared by a committee of which Professor S. H. Condon is chairman. There is no charge of any kind attached to the conference and all citizens of Canyon and Randall county as well as those from a distance are invited to attend.

This is the first conference of its kind that has been sponsored by the college and if it proves valuable and successful it is President J. A. Hill's purpose to have other similar conferences in the future in order that students and others may know that the college takes an active part in promoting Christian living.

The program for the conference next week follows:

Morning Session 10:00-12:00

Rev. C. S. Marsh, First Christian Church, Canyon, presiding.

Music, West Texas State Teachers College organizations.

Welcome address and formal opening of Conference, Dr. J. A. Hill, Canyon.

"The Church of War," Dr. R. Thomsen, Pastor Central Presbyterian Church, Amarillo.

"The Outlook for Christianity in Present Day Europe," The Most Reverend Bishop Robert E. Lucey, Catholic Diocese of Amarillo.

"Our Economic Structure in the Light of Christ's Teachings," Dr. C. C. Grimes, Pastor Polk Street Methodist Church, Amarillo.

Three PWA Bids to Be Opened on Next Thursday at Austin

A last minute change on the three PWA bids for W. T. will cause the bids to be opened at Austin instead of in the office of Dr. J. A. Hill. The Board of Regents for Teachers Colleges asked this change owing to the fact that other bids were to be opened at Austin on that date.

The three projects are: Furniture for Stafford Hall. Construction of swimming pool and other facilities in the athletic plant.

Building a Home Economics Cottage.

Dr. J. A. Hill has word that bonds for the construction of the 10 cottages are being printed and as soon as sold to PWA work orders should be received. J. B. Maxey of Lubbock has the contract. He was contractor for Stafford Hall, and left much of his equipment at the site of the 10 cottages, northeast of Cousins Hall.

National Parks Are Pictured in a New National Volume

"Park Structures and Facilities" is the name of a new volume just issued by the National Park Service showing the work which has been undertaken in parks over the United States under CCC work.

Colonel Conrad L. Wirth, assistant director of the National Park Service, is editor of the new publication.

A copy of this new publication was sent to Clyde W. Warwick, chairman of the Advisory Committee. Only 2250 copies of the new book were printed, and were sent to those directly interested in national parks.

Two pictures of the lodge in the Palo Duro State Park appear in the book.

Citizens interested in the parks work of the nation may inspect the volume at the News office.

More Projects Under WPA Are Started In County of Randall

Wages of WPA workers in Randall county have been raised from \$29 per month to \$31.90 per month. Randall and Potter counties were placed in the highest bracket of the counties of Northwest Texas. Widening of Fourth Avenue was revised again Monday and returned to San Antonio. It is believed that all of the problems on this project have been settled so that the project will be approved. This project calls for 22 men.

Starting work on the sanitary program in the county was approved Monday. Only five men will be put to work at the present time, with a foreman teaching them in making concrete tile, and other phases of this work. The first project of sanitation will be at the College Farm where a septic tank will be installed and sewer line run.

Seven women are working on the sewing project, which is being conducted at the relief office. No word has been received on the tax survey which was authorized to start last week. Only four men have been assigned to this work, although the project calls for 14. A representative from the state tax commissioner's office will arrive here this week to give instructions regarding the work.

Relief work will be carried on from the local office until further notice, states Mrs. Irene Sloan. Mrs. Sloan was highly complimented by Alwyn Williams, supervisor of case records in the WPA district office, for the efficient work in transferring workers from the relief rolls to work projects. The local office has been distributing various kinds of clothing, bedding, gowns, underwear, flour, beef, rice and prunes. There is a supply of foods to run for about two months.

The three projects on the W. T. campus are making rapid progress, with an average of 67 men on these jobs.

Potter County Is Wet By Small Majority in Election

Potter county was the first in this section to vote under the new liquor law passed by the recent session of the legislature. The county went wet by a majority of 258.

The vote stood 1,663 for, and 1,405 against legalizing liquor in the county. This is approximately the same vote in Potter county which favored repeal of constitutional prohibition in the August election.

Mr. and Mrs. J. J. Walker, Mr. and Mrs. Dan K. Usery, and Miss Esther Rudolph of Whittenburg spent Thanksgiving in the Wm. Ash home at Umbarger.

Another Good Rain Falls In City Last Night

Fifth of Inch Comes In Addition to Fine Rain Which Fell Here Last Week

Rain amounting to .20 of an inch fell in Canyon last night. This rain following the 1.25 inches of last week is very welcome to the farmers of the county.

In spite of the continued cold the past week, wheat has started growing, and the Panhandle is becoming green once more. Many farmers who had not planted owing to the drought continuing all fall have planted some wheat. Others are planning to replant those fields where part of the early planting came up and then died in spots.

The weather forecast for today is continued showers, which will be most gratefully received by this section.

Mrs. Lee Foster Is Injured in Automobile Wreck Thurs.

Mrs. Lee Foster was badly injured Thursday afternoon at 4:00 o'clock on the streets of Fort Worth in a car accident. She was with her parents, Mr. and Mrs. J. A. Brewer of Stamford, and sister, Miss Marcelle Brewer of Dalhart, on their way to Arlington to visit relatives.

The Brewer car was hit by an ambulance driven by a negro who did not see the Brewer car.

Mrs. Foster was taken to the hospital where she was treated until yesterday, when she was removed to Stamford where she will remain until about Christmas.

Mr. Foster was called and was accompanied to Fort Worth by Felix Neff and Rev. Chas. L. Dickey. Lee has not returned home, but the other two men returned Saturday.

Mrs. Foster received a severe blow on the back of her head and was unconscious a considerable part of the time until Sunday. She was considerably improved Monday and it was deemed possible to remove her to the home of her parents yesterday.

Miss Brewer was able to return to Dalhart Monday.

STORK SPECIAL

Mr. and Mrs. Elvis Christian of Dallas announce the arrival of a baby boy born on Nov. 25. Mr. Christian was formerly a resident of Canyon.

Hello, Randall County!

This is Santa Claus speaking—"I want the people of Randall County to know that I will be in Canyon next Saturday afternoon, and every Saturday until Christmas."

"Furthermore, I am going to have a special picture giving the children a chance to see me at work at the North Pole on Dollar Day to be held in Canyon, Monday, Dec. 16th. I sure want to invite all the children to come to see me. I have something worth while for them to see during this wonderful Christmas time."

"Don't fail me folks, don't fail to come and see me on those dates. I especially want to see the children. So long, but I'll be waiting for you."

Farm Debt Adjustments To Be Discussed on Monday

Guion Gregg of Lubbock, regional specialist for Farm Debt Adjustments, will speak Monday afternoon at 2:00 o'clock at the court house, according to word received yesterday from J. S. Fischer of Amarillo, district manager.

The county committee on FDA is composed of J. P. Hix, W. J. Wooten and J. B. Fox. All farmers interested are asked to be present.

Zorns Arrives to Take Charge Soil Contouring

Conservation Work Will Continue in Randall—Farmers May See Upchurch Regarding Work

B. A. Zorns arrived Monday to start work on soil conservation in Randall county. Mr. Zorns is a graduate of A. & M. College. His home is at Decatur, but he has been working the past several months in Collingsworth county.

Requests for the services of Mr. Zorns may be filed at the office of County Agent W. H. Upchurch. Mr. W. Spencer will continue with Mr. Zorns for the coming week in order that he may become acquainted with the contour work which has been done in the county during the past year. For this service in the past, the farmers have had to pay the expenses, but with the coming of Mr. Zorns, this service is free to all farmers.

Since announcement was made last week of the desire of A. & M. College to place a man here especially for contour work, many farmers have told of the results of this work for the year. About 50 farmers took advantage of the contour services last spring and uniformly report that the feed crop which they raised this year was very largely the result of this work. Without doubt the feed produced is worth many times the cost of the work which has been put in.

Those who desire to have contour lines run free of charge are urged to file application with Mr. Upchurch in order to efficiently time the work of Mr. Zorns in traveling over the county.

MEN TO HAVE CLUB MEET TUESDAY EVE

Due to a conflicting date with a religious program at the College, the regular meeting of the Men's Club of the Methodist Church has been changed to Tuesday evening at 7:30, Dec. 10. All members are asked to please note the date and to come prepared for a good evening of entertainment.

Mrs. W. C. Kunze left yesterday for Ralls and San Antonio where she will spend this month.

Will Rogers Fund Remains Open Until December 14th

Donations to the Will Rogers Memorial Fund will continue to be received until December 14th, according to information received Thursday by Clyde Warwick, county chairman.

The national committee has determined upon the erection of a hospital for crippled children. Will Rogers gave much of his time and means in working in the interest of crippled children, and the directors of the memorial campaign believed that nothing more fitting could be erected to his memory.

Only a few donations were received during the past week for this fund, and all citizens interested in making donations are asked to do so during the coming week.

Plan \$18,000 For Addition to Museum; \$7,000 Cases

Representatives of the Executive Board of the Panhandle-Plains Historical Society met at the West Texas State Teachers College Tuesday to discuss plans for the improvement and enlargement of the Historical Society Museum here.

Present at the meeting were President W. H. Patrick of Clarendon; Colonel R. P. Smyth of Plainview; Dr. J. A. Hill of Canyon, and Horace Russell of Amarillo. J. E. Hill of Amarillo, representing the State Board of Teachers College Regents; R. W. Carder, architectural advisor; Professor Stuart Johnston of the Department of Archaeology of the College, and L. F. Sheffy, secretary, met with the board.

It was decided that with the approval of the Texas Centennial Historical Commission approximately \$18,000 will be spent to enlarge the museum building, and the remainder of the \$25,000 allotted to the Historical Society will be spent for equipment. The first cases will be used to house the Susan J. Allen Indian Collection which is one of the best in the west.

The annual meeting of the Historical Society will be held April 10, 1936 and arrangements are already under way for the program and banquet which will be the special features of the event.

Guests of Mrs. B. C. Taylor Sunday were G. W. Leverton and son Bailey, of Fort Apache, Arizona, and Mr. and Mrs. Ira Brown and daughter of Amarillo.

SANTA IS TO VISIT IN CITY ON SATURDAY

Special Picture Show to Feature Santa at North Pole, Free to Every Person

DOLLAR DAY DEC. 16

Christmas Feature Is Being Sponsored by the Business Houses of This City

Santa Claus is coming to Canyon!

He will be on the streets of Canyon for several days before Christmas, and will have some treats for all of the children whom he meets. The first appearance of Santa in Canyon will be Saturday afternoon of this week and he is expected to greet the children from 1:00 o'clock until dark.

The appearance of Santa in Canyon on Saturday is just the beginning of the holiday festivities in which the people of Randall county are invited to join.

On December 14th he will be in Canyon again. Another special feature is being prepared for the people at that time. A group of the CCC boys from the Palo Duro State Park will put on a short program on the court house lawn at 3:00 o'clock. The boys will sing and dance, and every person will enjoy seeing them perform.

Then on Monday, Dec. 16th will be the real program of the month. Dollar Day will be observed in Canyon. Your dollars will buy more merchandise on that date in Canyon, than any place in the Panhandle.

A special feature will be offered on this date by about 40 business firms of Canyon. The famous Santa Claus film produced by Capt. F. E. Kleinschmidt is being brought to Canyon for showing from 3:30 to 5:30 o'clock. This feature is free to all, but tickets must be secured from those business houses which are sponsoring the Dollar Day. The tickets are free. All that is necessary is to go in the business houses who sponsor the feature and ask for a ticket. Captain Kleinschmidt has been running a series of articles in the Amarillo Daily News regarding his experiences with Santa Claus. This picture is brought to Canyon in order that the children of this county may see the feature—and it is free to all.

Business men are planning to visit all of the schools of the county on the afternoon of Dec. 12th, making a special invitation to the children and their parents to be in Canyon on the 14th to hear the CCC boys, and on the 16th to attend Dollar Day, and to see the free picture show.

Added attractions are being planned for Dec. 21, 23 and 24th. These will be announced later.

No efforts are being spared to make this the greatest Christmas ever enjoyed in Canyon.

Business men are enthusiastic over the plans that have been made, and are urging that the people of the county come to Canyon in order to enjoy the activities which are being prepared.

Plans Made For Father-Son Banquet on Thursday

All the men and boys of Canyon are invited to hear Pat Henry, well known state leader in the Hi-Y movement in Texas, who will speak at the Father-and-Son banquet at the Methodist Church Thursday evening, Dec. 12, at 7:30 o'clock.

The price of admission is 40 cents a plate.

Mr. Henry is considered one of the most eloquent speakers in the state and is one of the best-loved leaders among the boys.

Local Hi-Y members will appear in short numbers on the program. Every man in Canyon is urged to bring some boy and enjoy the inspirational program.

Tickets may be purchased from A. B. Holt, Irby Carruth, A. K. Goodman or any of the Hi-Y boys.

Mr. and Mrs. C. R. DeArmond of Lubbock were visitors here Thanksgiving, looking after business. They are now running a grocery store in that town.

Mrs. Hattie Wright and two daughters of Wynoka, Oklahoma, spent Thanksgiving at the home of her sister, Mrs. S. B. McClure.

People are wondering to what extent the federal government will continue to exert government control of so many phases of living after the dangers of the depression have subsided. The people may expect most of the present bureaus to continue. Senator Bennett Champ Clark has an interesting discussion on this subject. He went to Washington on the program of reducing governmental functions, and set this up as his battle cry. He fought the old bureaus, and denounced the creation of new ones, but still they continued to grow. He dug into the law, and found in Washington that many big departments have grown up without any sanction of law to create them. They simply slipped into an appropriation bill as an emergency, and have continued to stay there unmolested. The people of Texas were shocked four years ago to find that Texas has 123 departments of government, all more or less independent of each other. The legislature spent nearly \$100,000 investigating this condition and laid before the people a report with a plan to eliminate and consolidate these departments. Was the report ever considered. No, not seriously, at least. And the last two sessions of the legislature has added five or six departments, all of which will likely grow year by year. Those who resent the infringement of government into the field of personal rights are simply kidding themselves. Government is more and more taking charge of the personal affairs of every citizen of this nation. It will likely never reach the extent of a dictatorship in this nation, at least for years to come, but it has made rapid strides in that direction.

The dole is ended, comes word from Washington. WPA takes over those who are on relief, and able to work. Counties must shoulder the expense of caring for those not able to work. This is going to cause a hardship on counties since the added burden comes in the middle of the year without any tax provision having been made to take care of these people. It will result in those on relief receiving less from counties than they have from the dole of the federal government. Dissatisfaction will result as to the handling of relief from a local standpoint, but there is nothing that can be done about it. The federal government is always able to extend its credit to meet any sort of emergency, whereas local government cannot do this. A ruling from the attorney general states that a city incorporated under the general law cannot give any kind of relief. This prohibits Canyon from assisting with a single dollar in relief measures. The entire burden falls on the county government at a time when no provision has been made in the budget to carry this added expense. Citizens should not criticize the counties if they find the local governments unable to do everything they are expected to do in this emergency. The local government is handicapped in

'Old Jim' Sold for Charity

"Old Jim," a Texas longhorn given to Will Rogers five years ago by a friend in Texas, has been auctioned by Mrs. Rogers at a western livestock show. Proceeds from the sale of this 2800-pound steer, shown above being conducted by Eliza Sanchez, will be turned over to the Salvation Army orphanage at Lytton.

being unable to extend its credit more than is absolutely necessary. And the local taxpayers must eventually pay the bill, whether it is large or small. Relief money will no longer come out of the pocket of our generous Uncle Sam, but out of the pockets of the local people.

The News was not given an opportunity to vote in the Literary Digest poll. We have been a subscriber for the Digest for many years, but have never received but a single ballot in any of the various polls to be taken. We do not know how the list is prepared for sending out these ballots. In the second week's report, 44.1% are favorable to the policies of the administration as to 55.9% against the policies. The wording of the poll is somewhat ambiguous, "Do you NOW approve the acts and policies of the Roosevelt New Deal to date?" If The News were handed this ballot, we should have a hard time answering this honestly. With two or three exceptions, we can heartily approve of the "policies" of the administration, but when you are called upon to approve the "acts" of a hord of inefficient people who have wormed themselves into executive positions under the New Deal, that is a different problem. We believe that a large majority of those who voted "no" have been influenced to do so for this very same reason. In disapproving the acts and policies to date, they are not voting against the President, but of the acts of his army of employees, few of whom he could personally appoint, and over whom he has no personal control. If President Roosevelt is defeated, which we do not believe possible, it will be the handiwork of the little peanuts rattling around in the New Deal shell, and not on account of the program the President has advocated.

Governor Allred is doing more visiting over Texas than any other Governor in recent years. He travels by air, auto and train. Since becoming chief executive there is no section of the state which he has not visited. That is good for the state and good for

the Governor. A Governor may sit in his office at Austin and know less about the conditions in the state than if he were in Mexico City. In his office he is surrounded by his personal group of followers and advisers, who very likely have never been away from Austin, and who tell him what they think he wants to hear. They know nothing about conditions over the state. Governor Sterling was a failure because he refused to hear or listen to what the people were thinking. He told a close friend that he could be re-elected without leaving his office. Mrs. Ferguson defeated him for a second term. No one knows what Governor Allred has on his mind, politically, but chances are that he is thinking about a second term. He will have opposition to be sure, but so long as he keeps in touch with conditions over the state, and visits the people over the state, there is no danger of his defeat, no matter who runs against him.

Farmers of Randall county are highly pleased that free service has been made possible in the soil conservation program. Running contour lines is no longer an experiment. Years ago it was demonstrated that this was the only method whereby all of the moisture could be utilized. It was practiced by many farmers long before a united effort was made to have the policy adopted on all farms. It was possible to secure the special director for this project at a very small cost to the county, and no cost to the individual farmers. Those who see the County Agent and prepare to follow the direction of this director will reap a much larger harvest next year than those who do not take advantage of the free service. Many farmers profited by this year's work. This is just another method whereby the government is seeking to aid the farmers who want to help themselves, both as to the drouth situation in

Southwest, and general farm depression over the nation.

California is seeking to reduce governmental expenses in that state. California has 58 counties, and complaints of the cost of local government. Texas has done a great deal of talking about reducing the cost of government, but has done nothing about it. Texas has 254 counties, many of which could and should be consolidated, yet the people rejected a constitutional amendment which provided a vehicle whereby this might be accomplished. At the present time there is no constitutional method in Texas for making such consolidations, and none will be provided without an amendment to our old delapidated constitution.

Old Santa is planning a lot of things for the kids of Randall county this year, and incidentally the older folks will get a lot of kick out of the pleasure the kids will receive. Santa makes his appearance in Canyon next Saturday afternoon. Then on the 14th, a real treat is in store when the CCC boys come in and put on a show on the court house lawn. Monday, the 16th, will bring another big feature with a picture of Santa at the Olympic. Every person in Randall county is urged to be in Canyon on these dates.

That was a wonderful rain! If the people of the Southwest had no especial reason for thanksgiving, the rain brought a real reason, and one in which each and every citizen could participate. The country has greened up wonderfully since the rain. Given a half way chance next spring, there will be a wheat crop. But we still have to have that spring rain to make the wheat positive.

Now that Thanksgiving is safely passed, we can think about Christmas. May it be a joyous one to every citizen of Randall county.

Figures in New Landon Rumor

Rumor involving the Kansas Landons just seem to abound these days. While many people are puzzling whether Governor Alf will run for president in 1936, others are pondering truth of the rumor that his charming daughter, Peggy Ann, 18, above, is engaged to Leigh Fisher, law student at Kansas U., where she is a co-ed. Miss Landon says no, but both admit they're good friends.

How to Keep Colds UNDER Better CONTROL

Catching Cold? . . . Vicks Va-tro-nol helps Prevent many Colds

At the first warning nasal irritation, sniffle or sneeze, use Vicks Va-tro-nol—just a few drops up each nostril. Va-tro-nol is especially designed for the nose and upper throat—where most colds start. It stimulates Nature's own functions—in the nose—to help prevent colds, and to throw off head colds in their early stages. Used in time, Va-tro-nol helps avoid many colds.

Caught a Cold? . . . Vicks VapoRub helps End a Cold Sooner

If a cold has developed, rub Vicks VapoRub on throat and chest at bedtime. VapoRub acts direct—two ways at once: (1) By stimulation through the skin like a poultice or plaster; (2) By inhalation of its medicated vapors direct to inflamed air-passages. Through the night, this combined vapor-poultice action loosens phlegm, soothes irritation, helps break congestion.

Follow Vicks Plan for Better Control of Colds

Still Coughing?

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with anything less than Creomulsion, which goes right to the seat of the trouble to aid nature to soothe and heal the inflamed membranes as the germ-laden phlegm is loosened and expelled.

Even if other remedies have failed, don't be discouraged, your druggist is authorized to guarantee Creomulsion and to refund your money if you are not satisfied with results from the very first bottle. Get Creomulsion right now. (Adv.)

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed.

How do Calotabs help Nature throw off a cold? First, Calotabs are pendable of all intestinal eliminants, thus cleansing the intestinal tract of the germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

DAVIS-BANDY NUPTIALS

READ THURSDAY MORN

Miss Winnie Davis and Mr. Bailey Bandy were united in marriage Thursday morning, Nov. 28, at 9:45 in the home of Mr. and Mrs. Felix Neff, 1111 Fifth Avenue.

As the strains of Lohengrin's Wedding March came over the radio the bride party with Mrs. Felix Neff as matron of honor, and Delbert Lowes as best man entered the living room from different sides and met in a semi-circle before the fireplace which was banked with vines entwined with silver king. Softly burning pink tapers on the mantle furnished the only light in the darkened room. Rev. Charles Dickey of the Presbyterian Church read the beautiful ring ceremony from a small white leather-bound book in which the bride party registered, together with all guests signing as witnesses. This was then presented to the couple. During the entire ceremony soft strains of Mendelssohn's Wedding March, and "Oh, Promise Me," were heard from the radio as special music broadcast by Station KGNC in Amarillo.

The bride was beautifully dressed in a floor length triple sheer crepe of shell pink and she carried a bouquet of deep pink rosebuds, sweet peas and bridal wreath. Mrs. Neff was dressed in a floor length gold taffeta with a waist corsage of yellow, gold and pink chrysanthemums, thus completing the ensemble of the bride's chosen colors.

Short Honeymoon

At the reception following the ceremony the wedding cake was cut by the bride and served with coffee to the very few friends and relatives present, including Mrs. Ed Harrell, Mrs. C. M. Presley, Misses Eata Lou Bandy, Oriana Bandy and Edna Irene Bandy, sisters of the groom; little Misses Shirley Harrell, Sue Lane Neff, Earl Locke Neff and Mr. Neff.

Immediately following the reception the bride changed to a going away suit of green with gold accessories, and the couple left by car for San Angelo for a brief honeymoon.

Mrs. Bandy is a sister of Mrs. M. A. Buhler of Cleburne with whom she made her home for many years before coming to Canyon several years ago to accept a position in the First State Bank. During the past year she has been assistant to the City Secretary.

Mr. Bandy is a son of Mr. and Mrs. George Bandy of Cleburne, who were former residents of Randall County. He is a graduate of West Texas State Teachers College and has been teaching for several years. Mr. and Mrs. Bandy will make their home at Crane where he is employed in the schools there.

Reeves Winner City Golf Tournament at Canyon Club Course

T. V. Reeves won the championship of Canyon in the golf tournament which started two weeks ago and ended on Thanksgiving. He shot a score of 222. W. E. Lockhart and Ross Craig are tied for second place with 231 each. They will battle for second place honors next Sunday. Others in the championship flight were: Carl Scott, 238; Ed Mickle and C. A. Murray, 239 each; J. L. Duflot, 241; Lee Foster, 247.

The winners of first and second flights were not determined by the committees owing to the fact that several players had not completed their play. Carl Laughery was winner of the third flight.

A pair of golf shoes will be given the winner of each flight provided by the entrance fees of each player. Forty-four merchandise prizes given by the business houses of Canyon will be distributed among the players.

The committee in charge of the tournament was highly pleased with the result of this tournament, the prizes given the players, and the interest shown in the tournament. Plans are now being made to hold another tournament next year, but at an earlier date in order not to run into such cold weather.

Hereford State Park Work Will Be Ended Saturday This Week

Work is expected to end Saturday on the Hereford State Park as the CCC Company moves to Tucumcari to start work on a new state park. The National Park Service is expected to turn the Hereford Park over to the Texas State Parks Board for future operations.

Clyde W. Wick of Canyon, T. E. Johnson of Amarillo, and Judge C. W. Tumble of Hereford, members of the Advisory Committee of the Texas Parks Board, inspected the Hereford Park Tuesday afternoon and conferred in regard to the future operations of the park.

The park comprises 527 acres on the Tierra Blanca Creek, just south of Hereford. Two beautiful buildings have been erected by the National Park Service with CCC labor. The club house is located to the east near a grove of large shade trees. The bath house is some distance to the west on the banks of the Tierra Blanca, which is a living stream, well stocked with fish.

The golf course is located west of the bath house. Picnic units dot the banks of the creek.

About 10,000 trees were planted in this area during the past year, and with careful attention most of them are alive. The trees were largely confined to the creek bottom, which is well sub-irrigated, and it is expected that these trees will make a rapid growth during the coming years. About 50 species of trees were planted.

Many of the social gatherings of Hereford will be centered at the club house, a beautifully finished stone building.

When the CCC Company is withdrawn, it is expected that barracks and other temporary buildings will be removed from the grounds, but no definite word has been received as to their final disposition. Some of the foremen are expected to be transferred to the Palo Duro.

The Hereford State Park is the second in this area to be completed, the first being the Palsades, located northeast of Canyon. The problem of upkeep on these two parks is the question which is being considered by the local committee at this time.

Buffaloes Start Practice for 1936 Basketball Season

From the 1935 varsity basketball squad Coach Al Baggett has four lettermen, two squadmen and four freshmen. In addition to this he has George Ray Colvin, All-American guard of the 1935 National A. U. tournament, who was a letterman of West Texas when they were conference champions for three consecutive years.

Lettermen returning are: Curtis Clement, forward; Jack Davis, forward; Lawrence "Butch" Clark, guard; and captain-elect Willie Boedeker high jumping center.

Losses by graduation are: John Walker, center; Leonard Britt, forward; Audell Kimmons, forward and last year's captain Ed McMinn, high scoring forward of the 1935 season.

Freshmen prospects of the 1936 Buffalo squad are: Craig Walling, guard; B. F. Taylor, high scoring forward of the Frosh; Don Savage, leading guard of the 1935 freshmen edition; and Conway Butler, forward, who appears to be the best prospect to fill the shoes of some of the lads who have graduated.

Two squadmen making bids for the 1936 Buffalo team are: Ronald Davis, forward, and Marvin Myers, tall center.

In 1935 West T. won 18 games and lost 6. West Texas won the conference in 1924, 1927, 1928, 1930, 1931, and tied in 1932.

MRS. K. E. FRIEZE WINNER OF RECIPE

Mrs. K. E. Frieze has been named a prize winner in the Cudahy Packing Company's October Recipe of the Month Magazine contest.

Among the entries received, the judges considered Mrs. Frieze's entry one of the best submitted and she will receive her prize about Dec. 7th. It will be on display at the Buffalo Food Store.

The Recipe of the Month Magazine, published for Cudahy dealers and their patrons, conducts a prize event similar to that in which Mrs. Frieze was a successful entrant, each month.

Copies of the Recipe of the Month Magazine may be secured at The Buffalo Food Store.

Miss Skinner Will Give Program at W. T. Lyceum Tonight

Drama lovers of this region will have an exceptional treat tonight when Cornelia Otis Skinner will be presented as a special feature on the fine arts program at W. T.

Miss Skinner is considered the best one person attraction in America today. Her program will be a series of character sketches. The same program was given in San Antonio last week and the critics there pronounced it the most delightful performance given in that city in many years.

Wallace R. Clark, Miss Mary Morgan Brown, and Dr. B. F. Fronabarger are members of the committee which selected Miss Skinner for a place on the arts course.

General admission to the program is one dollar. Those holding blanket tag tickets will be admitted on them.

MAYOR C. R. BURROW RETURNS FROM HOSPITAL

News in Canyon 25 Years Ago

(Taken from the files of the Randall County News of December 2, 1910)

Great excitement prevailed in Canyon when L. T. Lester was chased from a Santa Fe train by J. H. Dunbar, who was armed with a revolver. Dunbar gave bond to appear before the grand jury.

Local trustees of the normal, L. T. Lester, L. E. Cowling, and R. A. Terrill, made the first financial statement regarding the subscription to the new college. \$101,830 was subscribed, \$80,318.25 had been collected and paid on the building; only about \$5,000 was considered uncollectable.

Miss Mary Orton spent the holidays with friends at Childress.

Is there anything more disgusting to hear than the fellow without any real complaint eternally howling? But how refreshing, when you hear the person you think has every reason to be downhearted always presenting the brightest side of life. Which do you think will get the most out of life?

With all its draw backs, life is still a splendid adventure.

Let changes come. Without changes there is no progress.

Cactus
Cal

Well, well, well, kids, how ye feelin? I heard Overton say that if he didn't eat another bite for two weeks he'd still be full. I hear sum of th kids say that Mr. Pope, Mr. Carruth, Miss Brasuel, and Miss Goodrich was full too. (They went to San Antonio), but that was a different kind of full, "full of news." I been a rarin to find out about that part of the state ever since, but I jus aint got a chance to start um ravin yet. Maybe we'll find out sum-time.

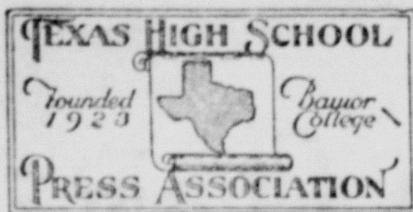

You kids shore make funny things happen up there. Now I jus wonder why Pat's good car would break down with him an Billy out at the canyons when they didn't have a thing but a kodak an a roll of films or two, an what's this I hear about Jack Taylor and Iren Thompson, (What? at it again?)

Caroline shore was a guyin Coach Jones Monday mornin. "So that's why yer gal left ye," she said. Coach that little boll ye got taped up on yer chin must have a history.

Sum of them jelly beans up there shore think their outta luck. They said Coach Gerald Brown has all the basketball gals goin in circles, but Tubba Lisle said, "Ah they jus play better for a man coach, cause they think they're really showin out then."

Fay's toe, well what about it? If you can find out ye can shore beat me. Everybody's talkin about it, but wont tell anybody else caus Pay dont want it told.

Welsir, Hereford says they shore enjoyed the treat that our Pep Squad give um when they beat us the last time. Well kids, Cactus Cal is sinin off. G'by.

SAVAGE TALKS
ON EDUCATION
AT P. T. A. MON.

S. B. ORTON ILLUSTRATES VISUAL EDUCATION WITH MOTION PICTURE DEPICTING HIS TRAVELS IN THE U. S.

"We find five sources of learning: touch, taste, smell, hearing, and seeing. Which had you rather lose? Which had you rather keep?" were the questions put before the audience last Monday night when Mr. F. E. Savage spoke in the high school auditorium to the P. T. A. on "Visual Education."

"Sight is usually chosen from the later question. These senses can be educated and it is done in the school. Of all of these senses, I believe vision is used most," said the speaker.

"It is a problem of our school to keep students from dropping out. Under the new work the school may be able to keep the students so interested they will want to continue their work."

In concluding he said, "Visual Education is made use of all the time, but better by machines such as the movie machine. Students learn more by witnessing the thing than by only reading it; so maps and diagrams are used. Of course travel is the nicest way of education, but it is too expensive. So things must be brought to the school room as real as possible; this is done by pictures, either the still or the movie."

Rev. J. O. Quattlebaum of the Methodist Church had charge of the devotional. He gave a short talk on how seeing determines our fate and how we are educated by the picture show.

The Choral Club was unable to sing; so the band, under the direction of Mr. R. G. Stevenson played several numbers.

A short business meeting was held in which Mrs. Alfred Bellah, president of the P. T. A., took charge.

In concluding the program Mr. S. B. Orton demonstrated a picture machine by showing his travels in Yellowstone National Park and other parts of the United States, both in still and moving pictures, before an enthusiastic and expressive audience.

Boy Scouts Meet
With 20 Present

With 20 boys and two leaders attending, the Boy Scouts of Troop No. 30 met in their regular meeting last Friday night at 7 o'clock in the Scout Room at the Education Building at the College.

The meeting opened with the flag ceremony. After the ceremony the business meeting was held. Drilling was the subject for the evening, and all the boys went through several drills. The meeting closed with their Scout Benediction.

The boys played "Lost Patrol" and "Blackman" until adjourning at 9 o'clock.

MILDRED SHUMAN AND
HAROLD FRANKLIN ENROLL

Mildred Shuman, a former student of Canyon High School, who has been attending school in Childress all this term, re-entered Canyon High School as a junior. She is taking English III, geometry, civics, and home economics.

Harold Franklin from O'Donnell, has enrolled in school as a sophomore. He is taking English 9, algebra 8, general science, and American history. He is planning to come out for basketball. Harold lives southeast of town and comes to school on the bus from District No. 4.

AUTUMN

Autumn is like a Persian rug. With colors warm and gay. That God has robed his season with As summer steals away.

These bright mosaics which he has wrought
With birds and flowers and trees
Are as one great benediction
On the wings of the Northern breeze.

Each leaf and petal as it falls,
Each bright bird as it flits on its way,
For the patterns which are dear to man
And lightens his burden as he trudges his weary way.

—Mrs. L. M. Cousins.

Junior Class Wins
Memorial Campaign
With \$5 Donation

The Junior Class, under the sponsorship of Mr. John B. Pope, won the Will Rogers Memorial Campaign with a donation amounting to \$5, while the sophomores came second, and the seniors third; the freshmen had none. The junior and sophomore classes made money by box suppers, and the other classes made money by bringing nickels, dimes, quarters, and pennies to the class secretary to add to their amount. The money was turned in to Mr. Clyde Warwick, who in turn sent the money to the central committee in Austin.

Hi-Y Club Holds
Initial Meeting;
Cox Is President

Organizing with nine charter members and electing Sewell Cox, president, the Hi-Y Club held its first meeting Nov. 25 at 3 o'clock in Room 29.

Supt. I. B. Carruth, sponsor, called the meeting to order. The following officers were elected: president, Sewell Cox; vice president, Joe Morris; secretary, Joe Frank; and song leader, Wayne Marsh.

Sewell Cox took charge and assigned the program for the next meeting as follows: "Home is More Than a House," Roy Phillips; "The Influence of the Lack of Home Life in Non-Christian Lands," I. B. Carruth; and "What I Can Do to Safeguard Home," Sanford Black.

The club decided to charge dues of 25 cents per semester and to hold the regular meetings every Thursday at 7 o'clock. The members discussed plans to have a Hi-Y shelf in the library accessible to everyone.

Committees Appointed

The president appointed Joe Morris, Donnell Foster, and Roy Phillips to draw up a constitution for the club. Woodrow Hicks was appointed chairman of the entertainment committee.

The meeting adjourned at 4 o'clock with Supt. Carruth leading the benediction.

The Hi-Y Club is an international organization and has proved a success in neighboring towns.

"I believe that the Hi-Y Club has a definite use and purpose in a school and that will prove of benefit because of the boys' association together," said Supt. Carruth, when asked his opinion.

Club Meets Nov. 26

Seven members attended the first regular meeting of the Hi-Y Club Nov. 26 at 7 o'clock.

The regular meeting was changed from Nov. 28 to Nov. 26 because of the former being Thanksgiving.

President Sewell Cox brought the meeting to order. Several songs were sung by the entire group.

Supt. I. B. Carruth read the devotional. The texts were "Children obey your parents in the Lord for this is right," "Honor thy father and thy mother."

Additional and inspiring talks were given by Supt. Carruth and Roy Phillips. Both talks were dealing with home life.

Discuss Improvements

During the business session, the minutes were read and approved. The members discussed plans to improve the club and to get a constitution.

A recreation period followed the business, after which President Sewell Cox served refreshments of chili, catsup, crackers and pecans. The meeting adjourned with a sentence prayer.

THIRD YEAR HOME EC. CLASS
PREPARES COMPLETE MEALS

The Third Year Home Economics girls studied ways of preparing and serving meals last week.

Monday they prepared breakfast consisting of grape fruit, bacon, eggs, buttered toast, coffee, milk, and marmalade. They also prepared lunch consisting of creamed chicken, potatoes, English peas, buttered rolls, fruit jello salad, hot chocolate, and canned apples.

Tuesday they prepared supper consisting of pimento cheese sandwiches, potato chips, pickles, salad, and hot chocolate.

4A AND 3B GIVEN PROGRAM

The 4A and 3B under the supervision of Miss Gladys McClanahan presented a program to 3A Wednesday afternoon.

The program consisted of poems read by Joe Billy Little, Willie Mae Bobb, and Shirley Harrell; Thanksgiving stories told by Anita Davis, Martha Jean Dowd, and Carolyn Black; and songs were sung by the group.

Miss Ruth Greenfield, Mrs. J. M. Farr, and Mrs. Gibson were also guests of 4A and 3B.

WHAT IS THE PURPOSE OF AN EDITORIAL?

This is to inform the general public who reads our school news in the regular Canyon News.

Many times the public misinterprets our aims and purposes and reads our editorials and have erroneous ideas about school happenings.

The staff, by trying to make our school more perfect, and stop the thoughtless habits of the students, has been misunderstood in its editorials. Before reading further, let us call your attention to our policies set forth for your benefit in the editorial column of this page.

The purpose of the editorial is to foster school spirit, to encourage the students to think, and, finally to act to make the school a better place in which to live.

The editorial is not meant for the public. It applies to the student body and is meant to improve sportsmanship, scholarship, and any other worthy activities in the school. It is meant to stop thoughtless habits such as writing in the locker rooms—the subject of a recent editorial. This does not mean that the students of Canyon High School, to use a slang expression, are "going to the dogs." It simply means that they are trying to make school a responsibility instead of a requirement, that The Eagle's Tale is to serve as a medium for the expression of student opinion, and that the ultimate aim of the student staff is to work for a more perfect school.

GRIDIRON GOSSIP

The boys started out for basketball Monday afternoon with three lettersmen from last year and a great deal of new material, and it looks as if, material for a good basketball team. Coach Jones is whipping them into shape to play at the Dimmitt tournament Dec. 13 and 14. There are 30 or more boys out.

There are several boys in Canyon High School who want to start out for boxing, but it seems there is nobody to coach them.

Girls' basketball practice is well under way. There are 20 girls that report regularly for practice. Most of their time is spent shooting goals. Although they have been practicing a short while, they expect to go to the tournament at Dimmitt.

Cold weather permits the girls to continue baseball in the gymnasium during the noon period. Carolyn Mayfield said, "The juniors will continue to play the other three classes until the class tournament starts, which will be in the near future."

Mary Collins, junior basketball and baseball player, when asked why so many basketball girls play baseball at noon said, "We don't only like to play, but it develops our arms for better goal shooting."

Mrs. Lee Foster
Injured in Wreck

Mrs. Lee Foster, instructor of piano, was seriously injured last Thursday in an automobile accident in Fort Worth.

She was enroute to Arlington, with her parents, Mr. and Mrs. J. Brewer and her sister Miss Marcell Brewer, to visit relatives. A negro ambulance driver ran into the car, turning it over.

Mrs. Foster received serious injuries, and her mother's face was cut badly and she was bruised. Mr. Brewer and Marcell received minor injuries.

The ambulance hit the car and turned it over. The car slid down the street on its side scraping the paint off and breaking windows.

LA TERTULIA ENTERTAINED
BY BELLAH AND JONES

La Tertulia, the Spanish Club for students of Canyon High School, were entertained last Tuesday evening by J. C. Bellah and J. L. Jones at the home of Mrs. Otto Samuelson at 1902 1/2 Eighth.

The program consisted of a story in Spanish by Sherman Higdon and John B. Pope told of his trip to San Antonio last week. C. L. Drummond explained the mate, a Spanish drink, he received while the club had ordered. Spanish games and contests were played. Mate was served at the close of the hour.

Men in the United States have bought on the average four-tenths of a suit of cloths a year since 1929. Let us hope it was the pants fraction.

The clubs entering the contest are: The Home Economics Club, the Pep Squad, the Hi-Y, the Radio Club, the Book Club, La Tertulia, and the Glee Club.

Civics Class Views
Carruth's Pictures

The civics class saw Mr. Carruth in moving pictures Nov. 25 when Mr. G. W. Cox brought his movie camera and showed a part of the trip Mr. Carruth took to Europe last summer.

Mr. R. B. Fisher, superintendent at Pampa, took the pictures and developed them. They were sent to Mr. Carruth last week.

The pictures showed the vessel on which Mr. Carruth and his group sailed, leaving the New York harbor, and the mob of people who were on the shore to see the ship off, in the crowd could be seen Coach Cleveland Jones waving as the ship left the harbor.

Pictures were taken of the slum districts in London also various interesting scenes in London, Birmingham, and Edinburgh.

Carruth Gives
Views on T.S.T.A.

"Building a Democratic Society Through Education," was the central theme of the State Teachers Association which was held last week in the city of San Antonio. Many excellent though provoking variations were given this pertinent subject by nationally known educators.

From the east, the north, the west, and our own Southland came the same expressions of prophetic warnings that education must take stock of the modern trends in contemporary civilization and that she must adjust her program accordingly. As the social agency established to perpetuate and improve our civilization, the schools are being called on to show more leadership than heretofore in the creation and shaping of the public mind.

Of the grave economic, political, social, moral, and spiritual issues that now confront the American nation, the schools are taking note and are changing their curriculums to grapple with the educational aspects of these problems.

Some of the high lights of the program are mentioned below: Address, "Character Education," Charles Wesley Flint, Chancellor of Syracuse University; address, "The Habits, Attitudes, and Abilities Most Needed in Our Present Social Crisis," Dr. Patty Hill, Teachers College, Columbia University; address, "Education for Democratic Society," Dr. G. O. Clough, S. M. U.; address, "Men and Not Things," Dr. Kersey, State Superintendent, California; address, "Opportunities for Youth," Dr. Ray Fife, State Director, Vocational Training, Ohio; address, "Rural Education in Present Day Mexico," Hon. Ramon Beteta, Department of Public Education, Mexico City; address, "Crucial Issues Affecting the Financing of Education," Dr. John K. Norton, Teachers College, Columbia University.

In addition to the general sessions of the convention, there were 41 special sessions devoted to departmental problems within the school system itself.

Some eight to ten thousand teachers attended the convention from all over Texas. San Antonio is an appropriate place to hold a teachers meeting. Its historical setting centered around the Alamo makes it a very appropriate place for educators to discuss the problems that confront the state and nation to-day, as our forefathers fought the battles that settled the destiny of our state in the past.

The State Teachers Association Convention is the largest in Texas and it is an inspiration for any teacher to be present and participate in its programs.

SPELLING CLASS HAS CONTEST

For two months the 6A spelling class has had a continuation of a contest. The class has been divided into two sides with Bradford Black and Oren McBroom as the captains.

Tuesday the losing side with Oren McBroom presiding, entertained the winning side with a program consisting of poems, songs, and talks. Suckers were served as refreshments.

Canyon Teachers Attend
T. S. T. A. In San AntonioP. T. A. Selects The
Home as Theme
For Year's Work

The program committee of the Parent Teachers' Association has completed its plans for the programs throughout the school term. The theme for the year is "The Home." The objectives are: to promote child welfare in home, school, church, and community; to raise the standards of home life; to bring into closer relation the home and the school, that parents and teachers may co-operate intelligently in the training of the child.

Supt. I. B. Carruth spoke on "Economic Conditions in England, Russia, and Germany" at the first meeting in October.

Mr. F. E. Savage, member of the West Texas State Teachers College faculty, spoke Monday night on "Visual Education."

The program for December will be in charge of the Grade School. A Christmas program will be presented. Refreshments will be served by the Association.

Program for 1936

Mrs. J. A. Hill will lead the devotional for the program that is to be presented Jan. 7. The Glee Club will furnish music, and Miss Robinson, a member of West Texas State Teachers College faculty, will speak on the "Value of Art in Our Schools."

Devotional will be led by Mrs. D. A. Nicholas for the program on Feb. 4. Mrs. W. T. Davis will speak on "The Founding of Congress," "Reminiscence," a playlet will be given, and the P. T. A. Choral Club will entertain with music. S. H. Condon of W. T. will speak on "The Spirit of Time."

On March 3, Mrs. Bill Robinson will lead the devotional. The band will furnish music, and Miss Lois Goodrich, a member of the Canyon Public School faculty, will speak on "Magazine Reading."

Devotional will be led on April 2 by Mrs. Harvey Cash. Special music will be furnished by Mrs. Herschel Coffee. Miss Fannie Sue Brasuel will be leader of the group discussion on "Home Making, Home Maintenance, and Effective Family Life."

The Rev. Stuart Marsh will lead the devotional on May 5. Music will be furnished by the Choral Club. Mrs. H. A. Brown will lead the group discussion on "The Value of Music." At the close, a social hour will be conducted.

Study Group and Choral Club

"The Curriculum" has been chosen as the subject of the Study Group, meeting from three to four o'clock on the second and fourth Thursdays of each month.

The Choral Club sponsored by the Parent Teachers Association is under the direction of Mrs. H. A. Brown and meets every Wednesday at 9:30.

The officers of the P. T. A. for the year are: president, Mrs. Alfred Bellah; first vice president, Mrs. Floyd Dunaway; second vice president, Mrs. W. C. Black; secretary, Mrs. Dewey Foster; parliamentarian, Mrs. A. W. Sternenberg.

The chairman of committees are: program, Miss Elva Fronabarger; financial budget, Mrs. Irbay Carruth; social, Mrs. Frank Hicks; membership, Mrs. Ray Campbell; publication, Mrs. C. A. Higdon; publicity, Miss Lois Goodrich; and study group, Mrs. D. A. Nicholas.

MRS. NICHOLAS ENTERTAINS
6B WITH PARTY WEDNESDAY

Mrs. D. A. Nicholas entertained 6B with a party Wednesday afternoon in the grade school gymnasium.

A program was presented which consisted of the following numbers: Dean Nicholas gave a cornet solo, "Home Sweet Home." A play, "The Gift Bearers," was given by Madelle Farr, Eula Belle Martin, Ardath Ann Cofer, Oren McBroom, Mr. Gerald Brown, and Loneta O'Dell, as characters. Another cornet solo was given by Dean Nicholas. Loneta O'Dell sang a solo, "Why Don't You Practice What You Preach."

Refreshments of pop corn and apples were served to the class.

BOOK CLUB ENTERTAINED

The Book Club was entertained at the home of Sarah Bonnie Bourn Tuesday afternoon from 3:30 to 4:30 o'clock. Games were played, after which refreshments of cocoa and cookies were served.

Pipe smokers are said to have better dispositions than other men. Perhaps it seems that way because a man with a pipe in his mouth finds it difficult to argue himself into a fighting frame of mind.

Be critical—of yourself.

"From Mason City to San Antonio the landscape is perfectly beautiful," said Supt. I. B. Carruth when interviewed about his trip to San Antonio to the Texas State Teachers Association.

The speakers most enjoyed by Mr. Carruth during the convention were Dr. John K. Norton of Columbia University, and Dr. Patty Hill of Columbia University. Mr. Carruth also heard Governor Allred and the Honorable Ramon Beteta.

The part of the convention that Mr. Carruth enjoyed was the school exhibits of industrial and mechanical arts.

As Prin. John B. Pope is on the State Production Committee he spent most of his time with other members getting the new State Bulletin ready. He made a speech at the meeting of the Commercial Section. Mr. and Mrs. Pope, John B. III, and James attended the T. C. U-S. M. U. football game at Fort Worth Saturday. They had the privilege of hearing Governor Allred when he spoke there. Mr. Pope and family made a complete tour of Randolph Field.

Goodrich Enjoys Trip

Miss Lois Goodrich, instructor of English and journalism, seemed impressed by the scenery on her way down and by the mixture of the old and the new, the leisurely picturesque and the commercially new of San Antonio. Miss Goodrich attended the Thanksgiving service at the main auditorium and the Thanksgiving pageant in front of the Alamo, presented by school children of San Antonio sponsored by Mrs. Ester Perez Carvajal who is head of foreign language department of San Antonio schools. She attended a W. T. ex-student breakfast on the roof garden of Hotel Plaza.

Miss Goodrich heard Governor Allred and the Hon. Ramon Beteta from Mexico City, Mexico. She said she particularly enjoyed the speeches given by Dr. Vierling Kersey of California, and Dr. Patty Hill; she also enjoyed the fiesta in front of the old Governor's Palace, which was erected in 1749. Mexican women were serving Mexican food in the streets, there were mock bull fights, Spanish music, small boys and girls playing and dancing, Indian war dances, fortune telling, old Mexican sheep and goat herders, and pioneers camping around covered wagons; all of these were taking place at the same time in front of the Palace.

Brasuel Attends Two Meets

Miss Fannie Sue Brasuel, home economics instructor, said that she enjoyed the Home Making Conference; most of it was held before the convention.

The speakers Miss Brasuel enjoyed the most were Miss Druzillo Kent, Director of Teacher-Training, University of Tennessee, and Miss Rua Van Horn, Field Agent, Home Economics Education Service, Office of Education, Washington, D. C.

Particular places of interest to Miss Brasuel were Mexican town, the Missions, the Alamo, Breckenridge Park, Randolph Field, Fort Sam Houston, and the better residential section of San Antonio.

On the way down Miss Brasuel spent the night with an uncle in Fort Worth. She said she enjoyed the talks and the music.

Sanders Teaches
For Lois Goodrich

Mrs. Dan Sanders substituted for Miss Lois Goodrich while the latter was in San Antonio, Nov. 27.

She taught journalism, two junior English classes, the senior English class, and kept a study hall.

Sarah Bonnie Bourn introduced Mrs. Sanders to the senior class and presented each member of the class to Mrs. Sanders, giving something of interest about some of the outstanding members.

The period was spent in a varied program of oral compositions covering subjects of travel, book reviews, sales talks, and imaginary interviews carried on by two members in conversation.

4B VISITS THE POST OFFICE

The 4B class sponsored by Mrs. Isabelle Cousins, made a trip to the post office in connection with their study of it.

The class walked to the post office observing the scenery along the way. The birds of the season and the squirrels were of special interest to the group. Upon arriving at the office, Mr. Dewey Foster showed them the canceling machine, and some letters from China and Japan. Mr. Foster showed them how the rural mail was put in one section, and all town mail in another section. After seeing many other parts of the post office, the group returned to the school.

ARE YOU FREE TO CALL the FUNERAL DIRECTOR of YOUR OWN CHOICE

When misfortune befalls a member of your family and he is called to the great beyond, then is when the MINISTRATIONS and SERVICES of a REPUTABLE, HONEST AND EXPERIENCED Funeral Director should be sought; one in whom you can put implicit faith, one who can be close to you and one who will appreciate your needs and at the same time respect your ability to pay, and one who CAN and WILL anticipate and attend to your every want—thus relieving you of many details, some of which possibly, would be overlooked, in arranging a Funeral Service for a departed Loved One.

DO NOT HESITATE TO CALL THE FUNERAL DIRECTOR OF YOUR OWN CHOICE

Every life insurance policy written in the State of Texas is payable in cash and gives the beneficiary the right of freedom of choice in selecting a Funeral Director. A recent law passed in Texas has forced a majority of BURIAL ASSOCIATIONS into reorganizing themselves into LOCAL MUTUAL AID ASSOCIATIONS, particularly the Burial Associations that were financially unsound. All are now forced to operate under the supervision of the State Department of Insurance—thus they must operate as LIFE INSURANCE COMPANIES and not as a medium of soliciting business for any particular Funeral Director—You are guaranteed that your policy will be PAYABLE IN CASH and that you will be given your Constitutional Right of freedom of choice in the matter of selecting the Funeral Director—MAKE YOUR OWN CHOICE.

DO NOT BE MISLED into believing that you must call any certain Funeral Director if you are the holder of a policy in ANY BENEFIT ASSOCIATION, whether operated by a Funeral Director or not—your rights in the matter are guaranteed by law.

YOUR FUNERAL DIRECTOR will treat these policies just the same as any other Insurance Policy, extending the same Privileges, Courtesies, and Credits that the contract merits—there will be no strings attached and you are in a position to take advantage of a free and open market.

Highway Confab Will Be Held Monday in Amarillo

The highway rally and convention for highways 60 and 66, will be held in Amarillo next Monday.

Sponsors are attempting to hold one meeting that is different. There will be no set speeches, nor will there be a cut and dried program. The parley will be open to those representatives from the various cities along highways 60 and 66 who may have plans that will get results and bring about the early completion of these two transcontinental routes.

Moreover, there will be no political speakers on the program unless they come along with out-of-state delegations. Texas good road boosters are eager to have at least one highway rally which is not marred by politicians or job seekers who, as has been the custom in the past, would make idle promises which they never intend to fulfill.

All delegations will have an opportunity to present their own local problems and opportunities before the general assembly.

The National U. S. 66 Highway Association, of which C. M. Bartlett of Miami, Okla., is president, is expected to pass on petitions requesting the change in name of this Chicago to Los Angeles route in honor of Will Rogers.

Letters received by the highway committee of the Amarillo Chamber of Commerce indicate that citizens along 60 and 66 appreciate the problems confronting them and will come to the highway parley with an avowed purpose to bring about completion of these routes not later than 1937.

The Amarillo Kiwanis Club in co-operation with the Amarillo Chamber of Commerce, will honor visiting delegates with a luncheon Monday noon.

Cities which have pledged delegations include St. Louis, Springfield, Monett and Joplin, Missouri;

Miami, Vinita, Tulsa, Oklahoma City, Elk City, El Reno, Clinton, Bartlesville, Enid and Arnett, Oklahoma; Shamrock, Canadian, Borger, McLean, Panhandle, Canyon, Hereford, Vega, and Farwell, Texas; Clovis, Albuquerque, Tucumcari, and Santa Fe, New Mexico; Phoenix, Kingman, and Globe, Arizona; and Redlands and Los Angeles, California.

Essay Contest Is Being Sponsored By Local Group

The American Legion Auxiliary voted to sponsor an essay contest on the subject of "How Can American Youth Co-operate with Fidelity to Prevent Propaganda of International Hostility?" at its regular meeting Monday evening.

Reports were given of the poppy sale and the Red Cross drive.

Prizes of \$3.00, \$2.00 and \$1.00 are offered for the three best essays submitted.

This subject should arouse the interest and stimulate the thought of all high school students. It comes close to the heart of the problem of war. Propaganda of international hostility always is used to create the hatred for other nations which is necessary before a nation can be led to aggressive warfare. How can it be stopped? How can young men and women of America help Fidelity stop it?

These are questions which the Fidelity Essay contest places before the youth of the country. All high school students of both the public school and the training school of the College are eligible to enter. Rules of the contest may be obtained from Mrs. J. W. Klein-schmidt, chairman of Fidelity.

Mrs. Blanche Brewer of Borger visited with Miss Emil Brewer and George Brewer Saturday and Sunday.

25c purchases soon will get you free silverware at Cooper's M System.

Relation Between Employer and Employee Is Discussed

Horace M. Russell, Amarillo Rotarian, made an interesting talk Tuesday at the luncheon of the Canyon Rotary Club on the relation of employer and employee.

"There is dignity and glory in work," stated the speaker. "It is distinctly a distinguished accomplishment to be able to get a job today."

Mr. Russell praised the confidence and the ambition which were brought into business circles by the youth. Calling attention to the old time objections which were raised against girls entering the business field, Mr. Russell believes that the average place of business today is as safe for young women as is the country club or the church. "Business today has a high regard for the employees."

"Business is conducted for profit, although this has been almost abolished in recent years," stated Mr. Russell. Private business must make a profit or sustain a loss. Non-profit organizations usually end up with a loss.

"The customer is not always right," stated the speaker, as he rebuked the class of employers who made a grandstand in rebuking employees for the benefit of dissatisfied and eccentric customers.

The chain stores have operated on the principle of the football coach in team work. It is an efficient system, but the independent business firm is more human in its dealings and therefore more flexible.

"It takes an investment to create jobs," stated Mr. Russell as he called attention to the Ford Company of investing \$9,000 per employee. "But investment of money does not pay without the investment of life," stated the speaker.

The Canyon Club will go to Plainview Monday night to put on an inter-city program.

Visitors present were: Bob

Stroud of Amarillo, Roland Stephens, Miss Lucile Stingle, Lige Frieze, Mrs. Lee Johnson, Miss Grace Burrow, Miss Anna Kirkpatrick, Miss Frances Gill.
